600 METERS TO KARON BEACH

KARON BEACH

Karon district is a unique place. Here, restaurants, bars, shopping centers, massage parlors, tourist attractions, markets, food courts and beauty salons are placed in perfect proportion. The main advantage of this place over other areas of Phuket is compactness. Literally any place can be reached on foot in 10-15 minutes.

卡伦海滩

卡伦地区是一个独特的地方。这里生活便利，店铺林立，餐厅、酒吧、购物中心、按摩店、旅游景点、菜市场、美食广场和美容院等不一而足。相较于普吉岛其他地区，卡伦地区最大的优势是小而全，不行10-15分钟便可到达任何地方。

ПЛЯЖ КАРОН

Район Карон - уникальное место. Здесь в идеальном соотношении собраны рестораны, бары, торговые центры, массажные салоны, туристические атракционы, рынки, фудкорты и салоны красоты. Главным преимуществом этого места перед другими районами Пхукета - это компактность. Буквально до любого места можно дойти пешком за 10-15 минут.
